Daddy just know to this day you are still loved, missed, and remembered through all this. The one man that stayed strong and by my side until the day you had to leave me. I know you are resting and you are not hurting, but still looking down on me to ensure that we are okay. I think I've made you proud so far. Love you much, your baby girl...Michell M.

My heart is heavy with the passing of my brother. Heavier that I am unable to attend his homegoing services. I find consolation is knowing that God has prepared a place for him in Heaven without pain and suffering. I know that one day I too will be in that Heavenly Home that has been prepared for us and Mom, Dad, Melvin and Sharon are waiting with opened arms. My condolences to his family and may you find comfort in knowing that he is in a better place.
