Cousin Keith was a special person who will be missed by many of us. Years ago we visited him at the hospital here in Durham many times. He was quite a 'talker' and we always enjoyed him. Ada, words cannot express our concern for you because we, too, know what it is like to lose a loved one. May you, Aunt Magdalene, and the entire family find comfort through resting in God's love now and in the days to come. Jesus knows how to help each of you through your mourning and into a place of peace.
