Jacquell was a student of mine at WCC. I always enjoyed talking to him when he came to class. He was a quiet; but very pleasant and mannerly young man. I had not seen him in a while; but often thought of him. You will be missed. My prayers go to the family. I am sorry for your loss. He is gone way too soon and young.

Jacquell was my bestfriend, my brother. We would talk on the phone for hours about our life and what we wanted to do. We had so many fun trips, and hanging out. I watched him grow from that young 18yo old boy I meet at the club to a grown man. My heart is broke cause i will no longer hear that voice, that smile on the other end of the phone. My prayers are with the family. Twan u are no longer in pain, God gotta handful with you lol. I love you bruh!!
