Debra was in my first classroom as a brand new teacher. She made my rookie year memorable! She is the only student to write a poem for me about me. She taught me how to bless people with sweet words! I will always be inspired by Debra's thoughtfulness! David Williams

Debra, was and still is one of my dearest and best Friends/Sisters. My heart is still so heavy even though I know she's in a better place. Praising God and thanking him for her healing. I visited Debra quite frequently when she lived off Slocumb Street. We'd sit, talk and visit for hours. I love you Debra, my Sister. Yes you are gone but never will be forgotten.
