You will always be apart of me. You were my friend, my sister and we shared the love of God with many... I know that God must be proud of you girlie! I still have the poems that you wrote me, and the pendant... You made it! Those tears we shared years ago, God bottled them up; He never forgot our prayers Tisha, & HE never forgot about you, and He hasn't forgotten me. I love you, and I will never forget you! My Tisha!

Dee Dee I will miss you and remember all the fun good times we had together. You were such a good friend to my mother and I, wish you could have met my son before you left us. Wish I could see you one more time...laugh one more time...and hug you one time. Now there is no more suffering and you are at peace. May God Bless Your Soul Love. XOXOXO
