Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.

You are in my prayers at this time. May God comfort and protect each of you. Boo, was a loving person. He will surely be missed. I remember how we use to sing in the choir at Hines Chapel and he was a very dear friend to me. Lord, comfort this family in their time of grief. Put your arm around them and let them know that you make no mistakes. Ida Loftin Bowden
