Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.

Oh no was all I could think of when I received the news of Ms. Rose. I was just speaking to her last week and she said she was praying for me. Maya Angelou said, "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." Ms. Rose made me feel good. She was special. I am so sorry for your loss. Beverly Lipford

Anthony Hines, I lit a candle in honor of Rose.

To the Griffin Family: Words can not express sometimes the loss we as humans experience when someone close dies, however we can be comforted in knowing that a family member has lead a life of true example. May God comfort and keep you during this difficult period. God bless all of you.
