Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.

I remember when I 1st met you at the prison and you were a friend that never changed who you are. We have shared laughs and cries together. We have always kept in contact but I wish we had that one more time to spend together. But I know you are in Heaven holding your babyboy again. I will always love and miss you both.From: Shavonda Lancaster
