Today, as I was fixing my coffee in our back room, I couldn't help but reflect on Kermit coming in and fixing his own. Also creamer and sugar first before the coffee. How he will not ever do that again hit me. But I will always remember even the simplest of things that will cause me to remember him. I pray God will bring you all peace and comfort during this time. He was a part of our family as he was yours. Prayers to all of you and may your memories help heal the heartache. Michelle & Patrick Gooding

I have known Kermit all his life. My Mother and step father, Katheryne and Cleborn Stephens, thought of Kermit as a son. My husband Porter and I always made sure to visit with Kermit at the home of my cousin Mrs Jo and Ben Daniels of Dudley. They always provided an excellent meal. And we know Kermit enjoyed his food. My husband and I are devastated at the loss of our friend. However, my Mother and Daddy are so pleased that their "son" has come home. There are few people
