Sorry for your loss, the Bible shows a real hope of being reunited with your dead loved ones. John 5:28,29 states the hour is coming in which all those in the memorial tombs will hear Jesus voice and come out to a resurrection. This is comforting to know that Jesus is certainly capable of restoring life to someone who has died. Hope this thought brings comfort to the family.

My condolences and prayers to Mrs. Betty and the Faison family. The brief time that I spent with Kenneth was joyful, exciting, and insightful. He will be missed by all who encountered his jovial personality. His presence shall continue to be felt, by all who knew him, in each story or joke we tell. Trust in the Lord with all thine heart, and lean not to our on understanding.
