Mrs. P. Penick lit a candle in honor of Betty.

Betty Jenkins, or BJ as we so affectionately called her, was not just a co-worker, but a very dear friend and confidante for more than four decades. We shared laughter and tears, happiness and sadness, good times and hard times as only truly good friends could experience. BJ was a lively person, always laughing and joking. She was the life of the party and a fun person to be around. Not only I, but many of our co-workers and friends are grieved and deeply saddened at her passing; but we know to be absent from the body is to be present with the Lord. We all love her, but God loves her best. Mrs. P. Penick

She was a very Special Lady, full of Life & Charm. She was an awesome Strong & Caring Mother. No one can take her place. She has earned her wings and its time for her to fly (.I love you Betty May you RIP) Your loving Sister- in- law, Alice.

Eddie, so sorry to hear of the passing of my home girl, classmate and your sister. I feel your hurt. Betty telephoned me just before our 50th class reunion celebration and we talked for two hours. It was such a good conversation. Please accept my sincere condolences. My prayer is that God will give us all the wisdom to understand and the strength to endure His Blessed Will. Much love to you and the family.
