Donald was a sweetheart. I met him back in 1999 on Match.com. We dated for about 6 months when I lived in Richmond and he lived in New Port News. He loved me, as well as my daughter, who was 7 years-old at the time. When I told him I was moving back home to New York, we still stayed in touch. We would talk on the phone for hours about anything and everything. Donald was a great listener; he was someone you could always call for advice. He was a loving and generous soul who loved GOD and his family. Also, Donald knew I was pursuing my Doctorate degree for many years. I want to let him know that I finally completed the program. Donald, you always said I could do it. I will never forget you Donald. Rest in Peace Love Always, Kim
