DeCarlo was a special young man I met when he was commo for Bde and he later became one of my Drill Sgt's A 1/40th, he had a special quality and I loved the way he interacted with the soldiers he worked with and trained. Would always light up the room when he entered and was a joy to be around. Knowing that I can never reach out and touch him leaves a void in my life I'm really going to miss this kid! R.I.P.
