Dear Helen, I will miss our telephone calls where we updated each other on our children and our lives. When my birthday comes around this year I know I will have a sad moment knowing there won't be a card in the mail from you. However, I am so glad we did not miss knowing each other! It has been my pleasure to be your sister and friend all of these years. My prayers are with Sheryl, Andre, Stevie and their families as well as each of your family members and friends. Love, Oranetta Woods Johnson

Dear Woods family, I didn't know Ms. Helen as well as I should have, but she was exceptionally kind; that is what I remember about her most. I will truly miss seeing her at Cherry Hospital, volunteering to help our clients. You all are in my thoughts and prayers. May the dear Lord give you strength and comfort during this most difficult time. Jean, a nearby neighbor
