To Maurice and the rest of the family may you continue to find peace, strength, comfort and consolation from God above. Linda and I worked together in Wilson County. The years I have known her has been very rewarding. We shared many meaningful and inspiring conversations about life and God, she was serious about her walk and relationship with God. Certainly her kind smile, gentle spirit and presence will be missed. On that Wednesday morning Linda realized her help came from God so she cast her eyes unto the hills. Rest in the arms of God Linda. Your friend, Deniece Sargent

Linda has been my friend and confidante for 16 years. We worked together in Wayne County, both went to Wilson County and back to Wayne again. She was my sounding board and one of my closest friends. From Bishop Dr. Gary Howell of Goldsboro NCI and Linda are first cousins, my most fondest memories are from our childhood, Her mother and my mother would cook great meals and make picnic baskets and take us to the park to play, or out to place called the Quaker Neck we would ride in the back of an old station wagon called a Rambler. She will forever live through my memories and the memories of all who loved her dearly. As an adult she was my friend and a wonderful person.
