I knew Anna for over 50 years. She was a very special person and friend to me and my family. One fond and amusing memory is Anna telling us that she had to wait to become 80 years old to baby sit a dog. When my husband and I traveled, she would take care of our dog Charlie. She was a great help to me when I had back surgery. We became very good friends. She always spoke highly of Donnie and "Bo." I will always treasure her memory. Mary Thornton and son, Eddie
