Rosie Mae , I will always remember the stern look you sometimes had on your face. I will always remember the beautiful smile you often had on your face. Your mannerisms and body language were so much like Aunt Julia that I would immediately notice you at every Lowe-Bowden Family Reunion. Rosie, you fought the good fight during your periods of sickness and never complained. We, the members of the Lowe-Bowden Family have all been made better by the kind words of comfort, inspiration and the love you have shared with us over the years. You have left a legacy that each one of us shall aspire to follow. We the members of the Lowe-Bowden thank the Lord for sending Rosie Mae Lowe Wooten to us for 89 years. You will be forevermore remembered by each of us.

To my dear and beloved cousin Rosie Mae, you have been a staple and a strong guiding force in my life for as long as I've known you. You never told me anything wrong and you always told me to do my best and be good to everyone. Those words I shall always cherish and continue to live by them. I love you so much and you will be certainly missed but not forgotten. I bid you safe Journeys and Peaceful Waters for I know no one that deserves that more than you. And like always I'll see you in the bye and bye.
