To the family you have my deepest condolences on the passing of your father, son, nephew, uncle, brother and friend. May GOD surround you all with a hedge of protection, comfort and peace and give his Angels charge over you. Because they say it takes a village to raise a child I can say that my "village" included a protector, confidant, comedian, guardian, advisor, cheerleader, life skills giver and milestone celebrator. My life was enriched because I knew him. He cared for and about me. His generosity was only matched by his appreciation for a good time. You will be missed by all who love you but GOD loves you best.

I was so shocked to see that Mr. Bill had passed. A gentle giant with a booming voice. He cared so much for his mother and family, and wanted to improve the lives of young people in Goldsboro. He really enjoyed the planning of, and looked forward to his class reunions. So full of life. Mr. Bill will be truly missed. Ada L. Jones

I knew him as Carnell, Uncle Leonard's son. I like most was shocked to here of his sudden passing. While I did not see him often, when I did it was as though I saw him on yesterday. Always concerned that we were doing well and we both always promising to be sure we saw one another more frequently. He was the picture of my uncle. RIP Cousin Carnell.

Bill was my partner many years ago, he was truly one of a kind. As a police officer I knew I could always count on Bill to watch my back. I have a lot of fond memories of him. My heart goes out to his family. Rest in peace, Bill.
