This will take some time to process. i would not have known if I didn't hear from Tim this morning. The last time I visited with you I wasn't aware. Nothing I say here will be enough, yet there 's much gratitude and reverence. Every single time I visited the house with Tim or Greg there, I was always made to feel welcome and taken at face value. Never judgmental -always caring, always with a heart and never looking down on other. Things like that I won't forget and will always carry with me. I have great love and respect for you always.
