I will always love and respect my friend Deb. I miss her so much and I am so grateful to have memories of her smile and zest for life! We were practically babies when we first met and we loved each other from the start. I believe that my friend is dancing and laughing with all of her heart with the angels. I will see your lovely smile again meanwhile, I will never forget it.

To the Faison family who I call my own. I thank you Carl for trusting me and allowing me to work with her. she is surely a beautiful soul and I definitely admired her smile and her soft spoken voice. So humble never complained while I worked with her. Heaven has gained a precious angel." Rest on Debra Jean" I am reminded of a song that we use to sing back in the day, "I am going to sit down and rest a little while"
