I will always remember James with a smile. I used to go into Jackson's IGA and I would tease him about how clean his always were for a working man. We always laughed and clowned with each other. Although we know that we must journey from this world and our loved ones; its always so hard to believe that one of our loved ones have gone on. I pray that God keeps the family uplifted during this time and there after. Rest in Peace James Edward.
