Aunt Mamie & Family, Uncle Thed's spirit and laughter will be so missed. I recall his laughter, warmth and smile with clarity and I could always count on him to laugh at my jokes or my silly ways. I recall seeing him once and whispering to him, You know Aunt Mamie has you "greased" up and shining like a pig, you better be careful. :) and his smile, engaging spirit and laughter would fill the room. As you all walk through this part of life, I pray you recall all the good times, the laughter, the love and the legacy he created with you and invested in you. There's no other fingerprint that can leave the same mark on you as his. We love you- Cricket & Ed
