To the Smith Family, So sorry for the lost of your loved one, Ms. Lou was a very sweet lady that I have known all my life, she always told me that she didn't know why God was keeping her here and I would tell her because it wasn't her time to go anywhere yet, someone had to be around to keep us laughing, she was so comical I would go see her and plan on staying a few minutes and she would start telling me some of the most funny things and that few minutes would turn into hours she was a joy to be around, I cared for her and it was a joy, she will surely be missed. Our lost is Heaven's gain, family my prayers are that God will give you the added strength that you will need to make it through this storm of life and I know He will because He did it for me, love you all, Ellen Ryals
