I was very sorry to hear about Ed's passing. He had fought a long hard fight with his medical conditions, but his body could finally endure no more. I have known Ed as a work colleague and friend since he began his employment with the NC Department of Labor in the early 1990's. Ed was generous with his time and knowledge and displayed a strong dedication and commitment to his job. He also had a way of laughing that could not help but bring you in. May the peace of God through his Son Jesus Christ welcome his soul into Heaven...Ed Geddie

Dear Family, Ed Lewis was a devoted employee with the NCDOL and family man. It was my blessed privilege to have the opportunity to speak with him at training sessions and all employee meetings and get to know him. He was always, respectful, kind, and mannerly and he had a way about him that allowed you to relax, be your self. He was always his self every time I saw him. Although I never asked, he came across as a Christian, because he cared about his fellow man. I know it is a sad time for loved ones and many have lost a good friend. Yet, Ed is with God now. Friend; rest peacefully beside the still waters, while He restores your soul. He makes all things new. & I look forward to seeing you and your family when we all get home.

Ed and I worked together at Rex Hospital in Raleigh. He was such a kind, humble, and gentle person -- I never heard him speak ill of anyone. Unless you knew of his health concerns, you would never know he was battling any health problems. He reported to work and did his job despite how he may have felt; and he always wore a smile. On occasion we would talk and I always enjoyed our conversations. He was missed, after he left Rex and I will certainly miss him more so now. My condolences to the Lewis family... A few years ago I rode the elevator to the fourth floor of the ORB and was met by a gentleman who asked, "How can I help you?" I asked if I could have a 'few' Labor Law Posters. He replied, "Sure, no problem. I'll be right back." I walked out of the ORB carrying a roll of 25 posters! That was the first time I met Ed Lewis, and like others I (still) remember his gracious smile and his helpful attitude. The years went by and as coworkers Ed was always there with that same 'helpful attitude' when I called upon him. My heartfelt condolences to Ed's family.

I met Ed back in the early 1990s. We were both young and new to the Department of Labor. Ed had a great smile and a warm handshake every time we would greet each other. Over the years as we saw each other less, that special smile was still there when annual training called us all to Raleigh. Our hearts are heavy. Ed will be missed, but always, always warmly remembered. May God Bless the Lewis family and hold you all close during this difficult time.
