Met Nate at AT&T he was my tutor during Programmer Basic Training for new employees. We became fraternity brothers in 1981 and found out that we had several friends from our past in common. From then on we traveled and socialized frequently we were just together at homecoming in October 2017. He was a generous and caring person. We formed a bond of four meeting several times during the year. going to miss my Kappa brother and good friend. Condolences to Jasmine and the family. He will be remembered and celebrated by all. May God bless and keep him in a better place, no more suffering.
