Donnie He is my friend, but the main thing is he's my brother;He has stuck by me in good and bad times like no other.I love him because he is blood but for so much more;The simple reason is that he is Donnie Ray McCoy.We have gone through some good times and some bad,Thank God, we weren't alone we had Mom and Dad.Donnie is one of the strongest men that I know,His strength has helped him to really grow.I don't know if you could ever find,A man with a more solid and made up mind.To go through the medical issues that he has had to endure,Has kept his faith and his soul extremely pure.God will not put no more on you than you can stand,Donnie continues to believe and depends on God's plan.I truly believe that God has a special place and it will be shown,My brother will enjoy the spiritual revelation for the fruits he has sown.He has a great mind; the ability to think is a gift;His words of wisdom can really give a person a lift.His kind heart is another blessing he will definitely share,He will let anyone know that he really does care.There are so many things that I know I could say,I'm just so proud of my oldest brother, Donnie Ray.To God be the glory for all that he has done,For giving Albert and Irene this amazing son.May he continue to follow the Savior's light;That will always illuminate his soul to shine so bright.Keep looking up brother you have answered God's test.Passed it 100%, now you are ready to be one of heaven's best. Your loving brother, Fess August 2018

First to the Mc Coy family I utter my deepest sympathy. There are no appropriate words to say that will ease your pain. Just know that my family and I are there if you need us. May God lighten your sorrow and ease your pain.
