Just heard about Miss Dot. Wish I had gotten the chance to know her. She and my grandmother Bessie were half sisters. My love to the family. I hope you are all doing well, and I would love the chance to speak with you and ask some family related questions about Miss Dot. My Deepest Love and Regards!

Yes. That means that your great great grandfather is my great grandfather. Let me know if we could exchange information. Family research is a hobby of mine.

A sweet, quiet and loving soul. I knew Ms. Dot by her daughter Marge and when I would stop over and chat with Marge, I really enjoyed her mom's presence. I pray she is at peace and she was blessed with 90 years. Penny Loafers I think she liked. Prayers to the family. Veronica

I am sorry to read about your loss. May God's words in the Bible at Ps 34:18 provide you comfort. The scriptures tells us "HE" is near to those broken at heart, and those crushed in spirit HE saves.
