My thoughts are prayers are with you as you grieve Shenita's passing. She was such a compassionate and kind woman of God. Hold close to your heart the precious memories you have of Shenita. Know that she would want nothing but the best for you (III John 2). In the days, weeks and months ahead, may you find peace in knowing that God promises that "as your days, so shall your strength be" (Deuteronomy 33:25) and that nothing can separate you from His love (Romans 8:38-39).

"Shenita Bonita" is what I loved to call Shenita because she was a beautiful young lady and it brought a smile every time I addressed her that way. She was a dedicated and vital staff member for our Section for the last 5 years or so. It didn't matter how difficult some of our customers were, she never once raised her voice. Occasionally she would come in and say I had to send you this call or can you please take this caller because he just isn't hearing it from me and we would always giggle about it later. Shenita Bonita loved her family deeply and wanted the best for them. She cared for everyone she worked with and always had encouragement for her friends. I have missed her since she left us a few months ago and will continue to miss her but I am also confident that she is present with the Lord, a promise kept, for the faithful.

But I must say to you "Lift up your heads O ye gates and be ye lifted up and the King of Glory shall come in."
