I am at a lost for words. We were close friends towards the end of our HS days. We used to hang and you were truly a great friend to me. We lost contact after I left to go into the Army. I promise you that you were thought of often by me! I tried finding you for years to no avail. Then, when I finally found you on FB, I sent you a friend requests and DM on 25 November! Anxiously I awaited for you to respond because I have missed you all these years. Then, I saw a post on FB of your passing and I was in TOTAL SHOCK! Like why!!! I will never understand! I'm so hurt that all those years passed and when I finally found you, it was too late! I will see you again, that's a fact! I will love you always and forever my crazy and outgoing Will!!!!
