Aunt Annie Bell, Saw everyone through the eyes of Jesus! She always spoke the positive over her family. She would always say to us you are good boys even when we were not always doing the right thing. Her legacy and her life lessons will be: see the positive and speak the positive. As I teach others. I always talk about my Aunt Annie Bell. She is no longer on the earth but she will always be in our hearts. To my family be at peace because she is at peace. Know him as she knew him, walk with him as she has walked with him. Aunt Annie Bell was a godly example to all who knew her. May her legacy continue in us. Philippians 4:7 And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. Frederick Lewis and family

I met Mrs. Annie Belle as Volunteer at WAGES in the Senior Companion program. She was an easy going person. I went to visit her some while she was in SNF. I found a pic of her volunteering. She just smiled. I'm happy to have been her Supervisor. A gentle Spirit is resting now in the lord. Praying with you.
