Always in my heart the childhood dreams you shared with me. Dearest to me are the days That we enjoyed in our own ways. Endless nights we spent in laughter, gave us joys forever after. Always in my mind and heart . . .and in my life of which you're part. Regretting that those days are now gone. Sleep Peacefully Cuz! I loved you but God loved you best!Adarryl Cooper

If my niece were jewels, I would have the most beautiful gems. My niece was the jewel that made our family gatherings shine with brightness and vibrant colors. She was the life of the party. We'll miss you, but your light will forever shine in our hearts. Now you can dance and laugh with the angels. Gone too soon! 😭 Aunt Ivorette Cooper

Tasha was a dear friend of my daughters. She lived with her on Cascade Ave years ago. She was just in Enfield in April to visit us. Little did we know she would be called home so soon. I remember her wanting me to cook all the time. She drove from Goldsboro 2 Rockymount just to get a plate during Thanksgiving a couple years ago. I'll miss you Tasha. Kind heart, beautiful bright smile, that funny laugh. Rest Easy Baby Girl.....An Angel you Were To Me.

We little knew that day, God was going to call your name. In life we loved you dearly, In death, we do the same. It broke our hearts to lose you. You did not go alone. For part of us went with you, The day God called you home. You left us beautiful memories, Your love is still our guide. And although we cannot see you, You are always at our side. Our family chain is broken, And nothing seems the same, But as God calls us one by one, The chain will link again. Author: Ron Tranmer Aunt Ivorette, Uncle Larry & Adarryl
