I remember the great times that we shared while working at JCPenney in the late '70s. You have always been such a trusted friend and I have always enjoyed chatting with you several times a year once you moved to Arizona. You will truly be missed by anyone that knew you. My thoughts and prayers are with the Ham family during this time of great loss and sorrow. I will always remember one of your favorite sayings "It's the Ham that make the difference" Rest in Peace my dear friend!!
