Never forget the first time I met "Aunt Lo" that's how she introduced herself and always let me call her that... She welcomed me to the family with open arms. I will never forget all the times we shared as a family and things will never be the same, but her name will continue to live on.... and most definitely make sure her buddy my baby Zachary will always know his Aunt Lo.. Prayers for strength for the entire family as well as everyone that was touched by her!
