I am heart broken and sad to hear of Dr. Jarmon's transitioning. It was just three weeks ago I called him to send a flower to someone. I have always used Jarmon florist, ALWAYS. If I was out of town or on vacation and needed a flower to send to someone I would call him and he would take care of it. He was kind, humble, and a very professional man. OMG where will I find another florist like him. I pray for his family, our condolences to you all. Just know he will be greatly missed, greatly missed. Magdalene & Johnnie Mosley

There are no words to describe the utter shock to hear of my dear friend's transitioning. When we don't understand and can't trace God, we trust Him. Gerold was a phenomenal human being, always loving and kind. Rest in peace, until we meet again, my friend. "For the Lord himself shall come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first." 1Thessalonians 4:16 Sharron Shackleford-Moten
