Tom Schwarm posted:

Curt was a childhood friend growing up in Granville. My favorite memories are playing golf throughout high school. We were fortunate to spend many summer days on the course. Curt had a great sense of humor that made for so many carefree and happy times. We grew apart after we each left Granville to find our purpose and place in the world. But I remember Curt as a kind and caring soul who always put others needs before his own. He was a gentle person who enjoyed life to the beat of his own drummer. Thank you, Curt, for being a part of my life. My thoughts and prayers are with your family. Peace and love.
