With my deepest sympathy for the family of my beautiful wonderful friend of 35 years Mittie Johnson. I am still in disbelief that my friend is gone. I still expect my phone to ring a few evenings a week as I get in my car after work. I met you in 1985 in Kitizen Germany and we have been friends for life. You were a very kind heart person that would help anyone anyway that you could. I will always remember our trip to the Essence Festival and the time we spent at the Family Reunions. I really enjoyed the time we spent on those trips. I am so happy we were able to see each other in January of this year. Because it would be the last time I would see my friend when you visited Montgomery, Alabama. I will miss you my wonderful friend but I will never forget you. I love you my friend and I know you will be another angel watching over us. So Rest In Peace my friend Your life long friend Delores Frazier Montgomery, Alabama

My sincere condolences on the loss of my dear cousin, Mittie Ruth, so affectionately known to me growing up as Ruth with those beautiful freckles on your face. I share cherish the memories we had growing up in Wilson and at your grandparents house , Cousin McKeever and Cousin Muzetta in Snow Hill, North Carolina. God has plucked another angel from his garden and called you home to rest with him in Eternal Peace. Gone too soon, but will never be forgotten. Love to all of those family and friends left behind to adorn the memories. To be absent from the body is to be present with the Lord. Sorryfully submitted,Cynthia Edwards Wilson
