My sweet nephew. You are so missed. I know when you got to Heaven's Gates you were greeted by so many family members. I can see Maw Maw hugging you, and Granny too. Getting some good words from Granddaddy Lloyd, and Granddaddy James. But if you need a good laugh, go visit my mom and give everyone a hug for me. Most of all, you're completely healed. You've got on your sanctified body and you're no longer in pain. Watch over your parents, sister, niece and nephew, but most of all... Keep a watchful eye on your son. Whisper to him in the gentle breeze so he knows it's you. Auntie is getting sentimental now so I have to close this out. I'll see you again at that great getting up morning. Until then, see you later because goodbye is just too permanent. I love you. ❤️
