My favorite uncle would do any and everything to help his friends and family. This loss is a great one as we are loosing a great patriarch, holding the family together. He was the best example of how a child should care for a parent and we always knew we had someplace to go. My heart is with Aunt Dorothy. Thank you for your love, patience and opening your home to us all. And to my cousins, may God bless you in your time of need. We love you all. -Danielle Armstrong

My Uncle Robert, a man that I truly admired growing up. I remember the year you took me in to live with you, grandmother, and Vincent when I was 10 years old. I watched how you would do chores (in the yard) and then cook us dinner before you left for work. You would talk to us with wisdom, knowledge, understanding, and "counsel". You will always be remembered for being such a great uncle. Now, you have fallen asleep. May you rest in shalum (peace) with our forefathers until the resurrection. LOVE YOU, Robert "Fizza Wizzle" Reid His breath (spirit) goeth forth, he returneth to his earth; in that very day, his thoughts perish. Psalms 146:4
