Wallace/Exum Family,Where do I begin? It's not easy when you lose someone you love. My heart was broken when I got the news; then I began reminiscing back to the days in band..... NEVER a dull moment. He would be the last in the family to join band. Samella on the clarinet, Sam on the trombone, Mondareo on the trumpet and of course, S'Vinte, not at all!!!Please know you guys are in my thoughts and prayers and I ask God to be with you and strengthen you during this time and always for He said, He would never leave you nor forsake you!Sorrowfully,Janet D. BarnesYour former Band Director

I will always remember that beautiful smile and laugh. Adulthood didn't allow me to see him as I did when he was a teen but the love remained the same. So many lives he touched including my own. My sincerest condolences and continued prayers for his family.

First I would like to send my condolences to his family and friends. I met "Dee" in February 2020 through my best friend Preshus. From day 1 he always treated me like we were friends for years the sweetest funniest and most loving person I have met in a long time. I'm grateful to have known him and shared so many memories in this short time. Dee you will be missed terribly. I can't believe I am even writing this to you. I know you are looking down on us. We love you and you will be forever remembered. Rest easy baby.
