"You'll never be forgotten that simply cannot be. As long as I am living, I'll carry you with me. Safely tucked within my heart your light will always shine; a glowing ember never stilled, throughout the end of time. No matter what the future brings, or what may lie ahead, I know that you will walk with me along the path I tread. So rest my angel, be at peace and let your soul fly free. One day I'll join your glorious flight for all eternity" – Unknown

We don't have all the answers to life's decisions and questions. And when something happens that we don't understand, we cherish the things that matter the most which are how deeply we cared. Winnie's passing will forever leave a void in the lives of the Jones family. She, along with her surviving siblings have been friends to our family for years. She, my mother and my niece (Melody) often held long conversations with each other. I can hear her unique laughs now. My niece thought that there was no one like Ms. Winnie. It was a little more than a year ago that she sang at my mother's homecoming service. It's hard to believe that she has now left us. She will surely be missed. I pray for healing for her sons and for all that were touched by her in some way or another. Beatrice Jones

Fellow, Eric, Mike and Ricky, Trust in the Lord with all thine heart, and lean not unto thine own understanding, but in all thy ways, acknowledge Him and He shall direct your path. Your mom was so humbled and proud of her boys taking care of her. Let it be well with your soul and be at peace. God needed another Angel for his Heavenly Choir and He chose your mom. She was my aunt, prayer partner, friend, sister in Christ, and another Mom. I will forever cherish the times that we had together, especially the last talk that we had on last Sunday, which ended in us praising and glorifying God, which she loved to do. Always remember, love never dies. Love and Prayers, Cousin Linda Reese
