Words cannot express how we are feeling with the loss of our 1st Cousin Vicky Bynum. But I know there is a GOD who sits high and looks low, and he decided to give Roadrunner #1 her wings. As kids she was always the driver. No matter where we wanted to go, we always said " Vicky will drive us", and she did. With a smile. As time passed and we stayed on the go so much, we later became Roadrunners #1,2, and 3. Vicky your smile and memories lives on in All of Us. It saddens me to say but, I say with great Joy! Roadrunner #1 (Vicky) is flying high and smiling down on us. Take your wings that you've been given and So Greatly Deserve!!! Fly Vicky! Fly!.....Love you dearlyTarla (Roadrunner #2)

I'm sorry to hear of the passing of Vicky. We were long time classmates from Jr high on up to high school. Just happen to run into her a few months ago. We chatted for a few min. She still had that baby smile (lol). I will never forget the times we share on bus 150 when I drove it. . (Sending much prayer for the family)
