To the family of Ms. Marian my family and I give our condolences. To know her was to love her. She had a smile and energy that was magnetic. She was a Godly woman, she was a true inspiration to her calling as a healer. She left an imprint on everyone she ever came in contact with I believe. Her children were her joy. We all have wonderful memories of Ms. Marian, my greatest is her helping my husband propose to me. Six years ago on the 7th floor in the wee hours of the morning it was her duty to keep me distracted so my husband could get up to the floor and in place undetected. Well he did! All of my fellow colleagues were there to witness the event and to this day we are still happily married. She knew this was not her permanent home. Until we met again your Carmelita

I am still very heartbroken of my cousin's passing. Never thought that when I left WMH, that would be the last time i'd see, talk, or ever work with her again. She always had that beautiful and peaceful smile that would light up a room. I am going to miss the talks we'd have and the encouragement she would always give me. She had my back. We had each other. My memories of Marian will always remain deep within my heart. I am really going to miss my dear sweet cousin. I love you. Rest peacefully with God in your new Heavenly home.

I cannot begin to tell you how broken hearted I am to hear the passing of my dear friend and former band parent. Her smile was contagious, always willing to lend a helping hand. I'll never forget the many parades, games and practices she attended watching Tiara play the drums. Our paths crossed again as we were members of the same church and there again was that sweet smile that I would see on Sunday mornings. Please know that my thoughts and prayers are with you all during this difficult time. Love you Tiara!! Sadly, Janet D. Barnes
