To: Kornegay and Vaughn Families. I am so sorry to hear of Sadie Bell passing. She and I were good friends growing up on North End. So many fond memories from elementary school and into our adult lives. It was some years ago when my husband Earl and I saw Elmer and Sadie Bell at my mother's house. They had stopped by to give their condolences to me and my family after the passing of my oldest brother Edward Earl. She told me that she prays for me and my family while we are living away from home. Blessings and continued strength from God to all of you. I will always love her and cherish our friendship forever. Rest in peace my friend. Teresa Gills Reid Class of 1978

So after the tears have dried, and all the goodbyes have been said, I have my memories, our daycare days, our little talks about our family, and the love we shared as a family.
