My God, my God!! This is a hard reality for me. Gloria was such a loving and giving soul. Such a bright light in this world. I love her so and will miss her presence especially during family gatherings. She was such a comfortable and easy person to talk to. Always encouraging and never judgmental. You felt like you could do anything after speaking with her and that everything would be OK. How she loved to talk and share her life lessons with you. I will miss your smile and that ever present laughter. Father God help us all go through this and help us all remember that it's in your plan, you make no mistakes and that you are still on the throne. My heart is heavy but I find comfort in knowing I shall see you again. God help me rejoice in the moment and celebrate the godly life she lived. My sister-cousin, my friend. I love you and will really miss you. God wrap your loving arms around her two sons, Trayvon and Tealen and the entire family. Grant us peace that surpasses all understanding. In the mighty name of Jesus - Amen. Nora Phillips (Nesee) Sister-Cousin Goldsboro, North Carolina
