Deepest sympathy and condolences to the family and friends of John "The Baptist" Pridgen, as I would call him during his many phone conversations with my husband, Maurice. They spent many years driving trucks over the road together and after he retired from trucking, they spoke multiple times almost daily. John was not only his cousin but his mentor, prayer partner and close friend. You will be missed by so many! From labor to reward...no more worries, no more pain, no more sorrow..take your rest John. Gone but never forgotten ❤️ With Love, Maurice Williams and family
