As a child we would go to NC twice a year. He was a good uncle. He spent time with me taking me to the pool hall in between beating me up saying it will make me tougher. A friendly Incredible Hulk growl he would make then I knew I had to fight back. Sounds worse than it was. Life was different in the 80s. As I became an adult he treated me like a younger brother. I miss him saying nephew run me down to the store. Colt 45 and a pack of Newports. Love you Unc.

Dad, you were my twin and I've always been proud to be your son. It's been a month since you've been gone and my world is a little bit colder and alot more confusing. I pray you rest in peace and I'll be bringing you home very soon. Love Tavares Kornegay

Our hearts go out to the members of the Kornegay family. I can not imagine the shock and confusion you must feel at this sudden loss. I pray your grief is short lived and the memories you share with each other will help you see the light shining on the dawn of a new day without your son and brother. Wishing you much strength and comfort in the days ahead.
