Ms Thelma was a beautiful person inside and out. I met her as a client in the beauty salon. She was such a joy to talk to. She always had words of wisdom to share. We enjoyed talking about old timey home cooked meals. Then we would talk about what we were going to cook when we got home and what we would have on holidays. Your eyes would light up when you see her coming in. I admired her relationship with her daughter Wanda. They were like two peas in a pod. Even when her health was failing her she kept her smile. I will surely miss her. (Diwanda)
