I will truly miss Chief Fitch. My name is Tim Daily, oldest son of MSgt Terry Daily (ret); while the two of them were close, I knew the Chief as a dedicated teacher and wonderful man. I myself never took JROTC. That did not matter with the Chief. He was dedicated to the entirety of Eastern Wayne High School, and I will truly miss him. I thank him for his service to our country, our school and our community, all of which he, by example, took to heart to an extent it would do service to all of the above for others to emulate. I and my wife send our heartfelt condolences to the family and extended community.

My prayers and condolences to his family. Chief Fitch was a special, gentle soul who graced my life with his mentorship during my high school years. He always had a kind smile and great advice for me, as he guided us cadets during our ROTC Drill Team activities (EWHS NC804). Throughout my life I have always referred back to his mantra (that he gifted to me in my senior yearbook) - 'One step at a time, but forever forward'. Thank you, Chief, for a life well lived! - - Tim Rollins & Family

Chief Fitch was a good man. He was a great ROTC instructor when I had him in the 80's. Always smiling, yet had that "No Nonsense" approach. He was definitely a man that once you met him, you never forgot him. As a former student he will always have my love and respect. My love to the family.
