Sharon was my good friend and one of the best neighbors I ever had. We were always laughing and talking every time we would see each other. She was so loving and generous to all that she met. She had such a big heart. She always spoke so lovingly about her family, especially her mother. Last year, when I lost my job due to the pandemic, she didn't even hesitate to help me by giving me food when I needed it and she never would accept anything in return, no matter how much I insisted. After almost 11 years, it is so hard to know she is not right next door anymore. I miss you Sharon. You blessed me and my family and I pray that God has taken you into His loving arms. You have earned your wings my friend. Rest well
