Ohhh my Dearest Ash! My heart is truly broken ❤️. I remember our talks and our love for Law and order SVU. I loved how socially aware you were and your loyalty to your friends and family. I remember how adorable and well mannered you were as a younger lady in high school. And that GORGEOUS and AMAZING smile.... and your giving heart. .oh baby girl! Thank you for being a great friend to my son O'Rane and thank you allowing me to speak into your life when you mom passed away. Thank you for the numerous lovely messages and flowers that you would send to me on special occasions. Since your passing, I have read every single one. They are now precious keepsakes that I will cherish and keep close to my heart until I see you again. I imagine you being so happy and reuniting with your Mom. I promise to keep donating to the National Kidney Foundation in honor of your Mom so that one day kidney disease will be eliminated forever because this was your wish. I am sooo sorry that I will not be there for your home going service but I promise to come and see your resting place as soon as possible I will miss you forever my daughter ❤️ Rest in eternal peace 😭😭😭

She was my sister-cousin, best friend, godmother to my last born, travel buddy, I could go on and on. My life will never be the same without you. But I'm so blessed to have been able to spend all these years with you. To laugh and cry with you, to grow and learn from you. You were our GeeGee and you will forever live in my heart. I love you to the moon and back.
